# YAKKUM EMERGENCY UNIT (YEU)

YAKKUM Emergency Unit (YEU) is one of the units under the Christian Foundation for Public Health (YAKKUM) with the core mandate to carry out crisis emergency response and community-based disaster risk reduction (DRR).

YEU has extensive experiences in humanitarian response since 2001 through participatory methods in various humanitarian interventions, disaster risk reduction, and climate change adaptation initiatives to disaster-affected communities, with the considerations to addressing the rights and needs of at-risk groups.

YEU works to deliver humanitarian imperative in disaster management with the tagline "RESILIENT, INCLUSIVE and INNOVATIVE".

YEU is one of the founders of the Humanitarian Forum Indonesia (HFI) which promotes capacity building, coordination, and collaboration among humanitarian actors. YEU is an active member of:

**actalliance**

**CHS Alliance**

Global Network of  
Civil Society Organisations  
for Disaster Reduction

**HUIROU COMMISSION**  
*Women, Homes & Community*

Member of

Waste Alliance

# VISI

Communities affected by disasters have the right to a dignified life and sustainable development, through the synergy of humanitarian services and community development through community-based transformative approach, accountability and quality performance.

# MISI

to be a responsive YAKKUM's unit and sustainable unit in disaster management based on strengthened networking in community organising and strategic partnerships, accountability, competency, character building and excellent delivery of humanitarian assistance.

# STRATEGIC PLAN

1. Increasing the capacity of communities living in disaster-prone area through disaster management programs which are coordinated with strategic network and has sustainability development and advocacy programs.
2. Improving the quality of program and community resilience toward disaster and climate change to achieve sustainable and zero-risk development which is coordinated with other strategic networks in terms of partnership, linkage, and sustainability of development and advocacy programs.
3. Being an independent and best institution in transformational development and good governance.

# FACTS AND FIGURES (2001 – 2023)

Emergency Response

- HEALTH FACILITY – BASED DISASTER PREPAREDNESS

## CLIMATE CHANGE ADAPTATION

- COASTAL COMMUNITY RESILIENCE
- CLIMATE ADAPTIVE AGRICULTURE

## EMERGENCY RESPONSE

## DISASTER RISK REDUCTION

## CLIMATE CHANGE ADAPTATION

## EMERGENCY RESPONSE (2001-2022)

# SECTORS OF INTERVENTIONS

## 1. EMERGENCY RESPONSE

YEU conducts emergency response in an inclusive manner, paying attention to the needs and priorities of at-risk groups, promoting gender equality, and actively involving communities in humanitarian interventions.

## 2. DISASTER PREPAREDNESS

YEU applies locally-led and inclusive approach in its efforts to strengthen community resilience and preparedness for disasters and the impacts of climate change.

YEU assists a number of initiatives to strengthen local leadership by supporting community groups, undertaking participatory risk mapping, identifying vulnerabilities and capacities, and prioritizing resilience actions.

YEU promotes the integration of preparedness measures into local development planning and budgeting to be more inclusive, transparent, and accountable.

### 3. CLIMATE CHANGE ADAPTATION

YEU builds capacity and strengthens community resilience in facing the threat of climate change in coastal areas, the agricultural sector and the environment protection.

YEU facilitates the resilience of coastal area communities (including mangrove conservation), strengthening the capacity of farmers in climate adaptive agriculture, water source conservation, tree planting, irrigation and making alternative animal feed.

YEU works together with communities in managing household and plastic waste to reduce emissions by waste segregation, strengthening community waste banks, managing organic and inorganic waste.

# BUSINESS UNIT

## DISASTER OASIS TRAINING CENTER & GUESTHOUSE

Disaster Oasis provides training and outbound packages, documentation of learning in disaster management such as through photographs, books, movies, educational materials, and more.

Disaster Oasis consists of 9 guesthouses, each of the house is designed to resemble the disaster-resistant house model built by YEU in disaster-prone areas across Indonesia.

## FACILITIES

Meeting room, guesthouse, venue, catering, lava tour and outbound.

 Jl. Kaliurang KM 21,5 Pakem, Sleman, Yogyakarta
